Dear Elise

Could you please pass on to Nick and all concerned how much our Assoc. and the community in general appreciated the financial assistance received from Cunneen Signs during the construction of the Wisemans Ferry Community ANZAC Memorial.

The management at Cunneen's have shown that the Company is indeed community minded and without such assistance from our supporters and sponsors such projects like our Community Memorial would not eventuate.

With Sincere Appreciation

Wayne Moore, Wisemans Ferry ANZACS's.
